PARALLAX ROBOTICS

OVERRIDE 2026-27 / EDISON, NJ

PLACEHOLDER DOCUMENT

Build with us.

This is a labeled placeholder for our final sponsorship packet.

It is not an approved sponsorship offer or agreement.

Parallax Robotics is a student-led VEX V5RC team at Edison High School, a Title I public school in Edison, New Jersey. Founded in 2025. Current season: Override 2026-27.

The final packet will include:

- Our team, mission and approved student photography
- Confirmed sponsorship amounts and benefits
- A verified budget for parts, registration and travel
- Sponsor placements, fulfillment details and contact information

Please contact us for a confirmed proposal.
